Fitness Equipment in the Playing Fields.

The Parish Council ran a few public consultations over the past two years asking the communities opinion on have some fitness equipment for adults to use.

The amount of people who answered the questions was very pleasing and it resulted in a resounding YES! To the proposed equipment and the favoured location being the Playing Fields on Station Road.

The Parish Council are now in the process of applying for grants to pay for this equipment and installation.

If you would like more information or can help in anyway please contact the Parish Council office on 01844

Thanks so much to everyone involved to make August Bank Holiday 2011 such a great weekend. A lot of money has been raised for local clubs and charities and the community had fun in the process. We do hope we can achieve this again.
