Chinnor Community Pavilion Trustees

At last the building work has commenced and the new pavilion should be completed by the end of 2015. Chinnor Parish Council is now in the process of setting-up a Charitable Incorporated Organisation (CIO) which will be registered with the Charities Commission.

This means that the CIO will be managed by Trustees who will oversee the new facility, promote its use to the benefit of the community and ensure it operates within the guidelines of the CIO Constitution.

The management team of Trustees will be volunteers sharing a vision to make this fantastic new facility a success and encouraging the development of sport in the community.

If you have the time, enthusiasm and commitment to join this group, we would like to hear from you. Please register your interest in confidence, outlining the business skills you can bring to the team, by sending a letter to:

Mrs Liz Folley, 36
Station Road, Chinnor OX39 4QH
by 13th July 2015.

Information about CIO's can be found at:
